### Charters Academy

Sessions are for juniors (11 yrs up) who may have an LTA rating and would benefit from a training environment

### After School Club

Open to all juniors who wish to improve their basic strokes and enjoy social tennis.

If you are unsure which sessions would be more suitable please email us or come along to one of the sessions.

Please see our web site for the full programme including mini tennis and adult tennis sessions.

### Charters PE Academy

These sessions take place during the PE curriculum and allows the students the chance to choose a sport that they enjoy in a class with a maximum of 1:8 coach/pupil ratio. The lessons take place once a week and are delivered by an LTA Level 4 Licensed coach.

Your child will not miss out on any school activities which are additional to the curriculum as these will be taken into consideration when planning the amount of lessons you pay for per term. The lessons are suitable for those pupils who enjoy tennis and are willing to work hard in a team environment.

**If you wish your child to participate please see on back for payment options.**

Autumn term lessons will begin on Monday 9<sup>th</sup> September for 11 weeks at a cost of £77

### Individual Lessons

We can also offer individual lessons or shared lessons during your PE lesson . Please email us with details and we will try to accommodate you.

Thank you and I look forward to helping your child enjoy a healthier lifestyle.
